

CONNECT

CONNECT

5 colours

The Connect is a configurable flatbed trailer and is ideal for the transportation of construction materials and pallets as well as machinery and vehicles.

AT A GLANCE

- A highly configurable and robust flat-bed trailer.
- LED lights, heavy-duty jockey wheel, spare wheel and locking hitch as standard.
- Selection of side extensions available, including double-height and heavy-duty.
- With auto-adjusting locking posts and easy-fit clamp-down sides, **Click & Clamp** ensures maximum rigidity and makes for one of the quietest trailers to tow.
- Integral tie-down points inside the bed for carrying machinery.
- Trailer and optional dropsides can be configured in a choice of 5 body colour panels; Red, Anthracite, Blue, Black and Yellow.

CONFIGURE YOUR CONNECT...

for transporting loads

with sides that can be easily dropped or removed for fork-lift loading

for commercial use

with lightweight yet robust panels for the transport of bulkier loads

for vehicle transport

with hydraulic tilt-bed, loading ramps and full-width stop bar
